

A LITANY OF REMEMBRANCE

- LEADER: Those who live no more echo still within our thoughts and words, and what they did is part of what we have become.
- PEOPLE: **At the rising of the sun and at its going down, We remember them.**
- LEADER: At the blowing of the wind and in the chill of winter, We remember them.
- PEOPLE: **At the opening of the buds and in the rebirth of spring, We remember them.**
- LEADER: At the blueness of the skies and in the warmth of summer, We remember them.
- PEOPLE: **At the rustling of the leaves and in the beauty of autumn, We remember them.**
- LEADER: At the beginning of the year and when it ends, We remember them.
- PEOPLE: **When we are weary and in need of strength, We remember them.**
- LEADER: When we are lost and sick at heart, we remember them.
- PEOPLE: **When we have joy we crave to share, We remember them.**
- LEADER: When we have decisions that are difficult to make, We remember them.
- PEOPLE: **As long as we live, they too will live; for they are now a part of us, We remember them.**
- ALL: ***For long as we live, they too will live:
For they are now a part of us,
As we remember them.***
